"Parental Control"

INT. SHARON'S HOME - FRONT DOOR AREA - DAY (1)

Stacey stares profusely at Peezy. Peezy stares back. Stacey slowly closes the FRONT DOOR.

STACEY

Whoa. I can't believe it's you.  
How did you get here so fast?

PEEZY

You don't need to worry about that.  
We need to get started. Remember,  
you called me here for help. Okay?

STACEY

Are you here to help me?

PEEZY

Yes, of course. I wouldn't show up  
for no reason.

Let's go see what we have here.

Peezy walks into the living room area and approaches Sharon.  
Sharon continues to stand, FROZEN. Stacey follows.

PEEZY (CONT'D)

Oh, my.

It looks like you've gotten yourself into some hot trouble.

STACEY

It's not my fault.

PEEZY

(sarcastically)

Right.

STACEY

What's happening to her? Why is she stuck like that?

PEEZY

She's frozen, dear.

Does Elsa ring a bell?

STACEY

(excitedly)

Elsa? You're lying...

PEEZY

Um, I am.

This is REAL life, dear.

Stacey's smile quickly changes to a frown. Peezy examines.

STACEY

Whatever. Are you going to help me or not?

I don't want to get a whipp'n. I don't have a lot of time.

When do I get control?

PEEZY

I'm going to help you, but we have some rules to go over before I give you Parental Control.

STACEY

Like what?

PEEZY

We must go over the agreement you signed. They are crucially important to understand.

STACEY

I don't need all of that. Just hurry up and give me control.

PEEZY

Oh, you're quite the feisty one.

Do you verbally confirm that you want to skip reviewing the agreement? Say Yes or No.

STACEY

Yes.

PEEZY

Thank you. Confirmed.

Stacey Johnson, you are bound to abide by terms of such agreement on this day today. The next step is to go over the controls and the three strike rules. We cannot avoid these.

STACEY

Whatever. Just hurry up and tell me.

Peezy side eyes Stacey, then sits down on the couch.

PEEZY

Right. --Grab the device you downloaded the application and signed your agreement. You must use the controls from the app.

Come and have a seat.

Stacey picks up the TABLET DEVICE from the couch and sits next to Peezy. She TAPS on the screen as she sits down.

STACEY

Okay, it's open. --What do I do next, click this button here?

PEEZY

Slow down grasshopper. I must walk through it.

SUPER: A large rectangle slides in. "Parental Control" across the top, with a LONG YELLOW BAR with the words MOM LIFE next to it. A LARGE RED BUTTON in the center and THREE ROUND EMPTY CIRCLES with a greyed-out X at the center.

PEEZY

Let's start from the top and work our way down to the bottom. I already added your mom. The yellow bar is a life gauge. Just like any video game, the life gauge can run out. When it turns fully red, that means your mom needs to rest or else you get a strike.

The red button is how you "command" your mom. Tell her what to do. You hold it down and talk into the device. "Mom, sweep the kitchen floor." Or "Mom, fluff the pillows." You can tell her to do just about anything except for things that could cause her harm

or anyone else. The program will recognize it and you automatically get three strikes if you cross that line.

The three strikes are critical. If you want to continue using the app you must avoid getting three strikes. If you get a strike, you will hear this sound.

[ SHORT ANNOYING HONK SOUND ]

PEEZY (CONT'D)

If you get all three strikes, you will hear this sound..

[ LONG ANNOYING SIREN SOUND ]

Everything turns RED. Stacey covers her ears.

STACEY

Oh my God, please turn that off.

PEEZY

If this happens, that means you lost the game, and your entire world will change.

STACEY

How will it change?

PEEZY

I don't know, but you don't want to find out. So, please make sure to do everything you can to avoid it.

STACEY

Okay, can I get started now?

PEEZY

No. That's not all. --Your mom will not be able to communicate with you while she's under your control.

STACEY

Like, she can't talk to me?

PEEZY

She can't and she won't.

STACEY

Thank the Lord.

PEEZY

One more thing, you cannot hurt your mom.

STACEY

I remember.

PEEZY

No listen, I said before you cannot put her in harms way. Example, you cannot say "Mom, walk outside and stand in the middle of the street."

Stacey bursts out laughing. Then straightens up.

PEEZY (CONT'D)

That wasn't a joke.

PEEZY (CONT'D)

What I mean is you cannot take the broom and hit your mom upside her head. That's directly harming her. If you do, the game is

immediately voided, and she will awaken and remember what you just did. You can guess what will happen after that. It won't be good. Do you understand?

STACEY

Yep, I got it. Can I get control now?

PEEZY

Please answer YES or NO to the question.

Stacey rolls her eyes.

STACEY

Yes.

PEEZY

Thank you very much for your conformation. Let's do a quick warm up and then I'll be on my way.

I'll reset the application, which will reset you mother and then we'll do a warmup.

Stacey and Peezy stand up and face Sharon. She's still a STATUE. Peezy TAPS the screen on the TABLET DEVICE a few times.

Sharon straightens up.

STACEY

Wow.

PEEZY

Okay, that application has been reset. We just need to program your voice into the application

for the commands. Speak into the device and say, "I love you mom."

STACEY

Excuse me? Do I really have to say that?

PEEZY

Do you want control or not?

STACEY

Yes, I do. But I don't want to say that.

PEEZY

Why don't you want to say it?

STACEY

I just don't like it.

PEEZY

Well, you might think you don't mean it if you say it, but I know deep down inside your heart... you actually do.

STACEY

You don't know me.

PEEZY

Neither do you. --Just say it so I can be on my way.

Stacey leans into the device and says...

STACEY

"I love you mom."

An activation noise emits.

PEEZY

Great. Now, for our quick warm up exercise all you need to do is hold the button down on the app and say the words "Sit down on the couch."

Stacey takes the device. Holds down the RED BUTTON on the TABLET DEVICE SCREEN and says...

STACEY

"Sit down on the couch."

Sharon stands there for a beat. Stacey looks at Peezy then back to Sharon.

STACEY (CONT'D)

What's happening? She's not moving.

PEEZY

Just give it a moment.

Sharon continues to stare straight ahead. After a few seconds, her eye pupils quick flash BRIGHT RED with a small circular aura.

...Then she slowly starts to move. She turns and sits down on the couch.

STACEY

Oh my God, that's so cool. Am I in control now?

PEEZY

My job is done. What happens from here on out is completely up to you. Please make sure you remember the rules. Okay... have fun.

Peezy walk backwards towards the front door with a big smile and closes the door.

PEEZY

Bye and good luck!

Stacey stares for a beat as she exits.

She turns and looks at Sharon. Sharon sits upright on the couch, eyes front like a statue. Stacey approaches. Examines her face. Paces around then back and forth for a beat.

Stacey holds the button and speaks into the TABLET DEVICE.

STACEY

"Get me a bottle of water from the refrigerator."

Sharon slowly walks into the kitchen, opens the REFRIGERATOR and grabs a WATER BOTTLE. She approaches Stacey and hands her the BOTTLE. Then sits back down.

STACEY

That's what I thought! You do what I say now. You are no longer in control. I am.

You can't do anything about it.

Stacey laughs out loud. She continues angrily up close and personal in Sharon's face.

STACEY (CONT'D)

You suck momma. And now it's payback time. I hope you're ready for this. I'm going to get you back for everything you've done to me.
